

ALBERTA BASEBALL ASSOCIATION  
ANNUAL MEETING TO  
BE HELD IN MACLEOD

MacLeod has been chosen this year for the Annual Meeting of the Alberta Baseball Association which will be held on Wednesday, 11th April, 1928, at 3:30 p. m.

The meeting will convene in The Elks' Hall at MacLeod.

In deciding to hold this year's meeting at MacLeod, President Cheesman is following the desire expressed at the last Annual Meeting that this important Annual Convention of Baseballers be circulated around the Province, and that the date be some day other than a Saturday. Therefore in selecting Wednesday, 11th April, 1928, the President hopes that every club will be able to have their own representative attend the meeting. Wednesday is generally observed as a half-day holiday throughout the Province, and by convening the meeting for 3:30 p. m. a minimum of time will be required from business hours by any delegate, and the meeting will close in good time to permit those present reaching their homes Wednesday night, or at the latest on Thursday a.m.

The Alberta Baseball Association Championships are now open to all clubs in Alberta.

The City Fathers of MacLeod, and The MacLeod Board of Trade will tender a hearty welcome to all the delegates attending this, the first annual meeting of the Association to be held in MacLeod. Willard Long, well known sponsor of amateur baseball in MacLeod, secured this town as this year's meeting place, and it is up to every resident to give the delegates a royal welcome to our Jubilee City.

DRUMHELLER COAL SET AS  
MINIMUM, ONTARIO MARKET  
—COAL STANDARDS BOARD  
HOLDS FIRST SESSION IN  
EDMONTON

Edmonton, April 3.—The newly-  
established board of standards on  
Alberta coal, whose objective it will  
be to set only the best and most  
suitable types of coal to be shipped to  
Ontario, held its first meeting here  
Monday, R. J. Dinning, chairman of  
the board, presided, and J. A. Ellis,  
Ontario fuel commissioner, who also  
is a member of the board, was present.

After the meeting Mr. Ellis said:  
"Any coal inferior to Drumheller  
either in cleanliness or storing prop-  
erties, will not be acceptable on the  
Ontario market. From the view-  
point of the Ontario consumer it is  
essential that only the best grades  
be sent, otherwise that market will  
not be available for Alberta coals.  
Every effort will be made at our  
end to advise the consumer just the  
class of coal from Alberta he is  
getting, and it is not our intention  
to support any low grade products  
shipped to Ontario without author-  
ity. We desire Alberta coals to  
secure a permanent market in On-  
tario and are convinced that this  
can only be done in the way men-  
tioned."

WHEAT POOL STRONGLY  
URGES TESTING OF SEED  
FOR GERMINATION

Germination tests of wheat which  
have been threshed this spring prove  
that the vitality has been badly  
damaged. If there is a widespread  
planting of this spring threshed  
wheat disastrous results will follow.  
The directors of the Alberta Wheat  
Pool are greatly concerned over  
this menace and urge farmers to  
have their seed tested for germina-  
tion.

Bawden's Bakery has recently  
installed electrical equipment for  
the making of "Brown Babbies"  
doughnuts. The feature of these  
doughnuts is the fact that they are  
made without the use of grease.  
Anyone who has not tried one of the  
new doughnuts has a treat in store  
for they retain all the flavor of the  
good old fashioned kind yet are not  
at all greasy, and anyone who is  
afraid of fried foods need not worry  
on that score and should sample  
them as they are a real delicacy.

Nearly everybody had a break-  
fast room in the old days, but it  
was called a kitchen.

PRESS FOR BRIDGE OVER WIL-  
LOW CREEK — MACLEOD  
BOARD OF TRADE TAKES UP  
MATTER WITH LOCAL MEM-  
BER

The MacLeod and District Board  
of Trade met Monday evening and  
transacted a considerable amount of  
business.

It was unanimously agreed to  
affiliate with the Canadian Chamber  
of Commerce, with headquarters at  
Montreal. The Canadian Chamber  
of Commerce is "A National Econ-  
omic Partnership," a Federation of  
Boards of Trade, the Chambers of  
Commerce, the Trade Associations  
and the business men of Canada.  
Several leading business men of the  
province of Alberta are on the  
executive committee, every province  
in the Dominion being represented  
on these committees.

The question of a bridge over the  
Willow Creek at the old Blackfoot  
Crossing was discussed. A petition  
signed by every farmer in the dis-  
trict was recently presented to the  
government, which showed that  
nearly 60 farmers would be bene-  
fited by this bridge. W. H. Shield,  
M. L. A., was present and explained  
to the board the government had  
to contend with in the great demand  
for bridges all over the province. He  
said that \$500,000 had been voted  
for bridge building in 1928, but that  
amount would not half cover the de-  
mand. He gave little hope of the  
bridge being built in the near fu-  
ture. Mr. Shield also outlined to the  
board the highway program for the  
year 1928, stating that the gravelling  
of the Blue Trail from Calgary to  
MacLeod and also the Waterton  
National Park road from Cardston.  
He also said they hoped to complete  
the Red Trail from Lethbridge to  
Pincher Creek.

OBITUARY

MARGARET THORNTON CURRIE

The funeral of the late Mrs.  
Margaret Thornton Currie was held  
on Sunday, April 1st, from the  
Presbyterian Church in MacLeod.  
The church was filled with many  
sympathizers and friends of the  
deceased, who was well known here.  
The services, which were fully  
choral, were conducted by the Rev.  
Wishart, pastor of St. Andrew's in  
MacLeod. The pallbearers were six  
brother Macers of the deceased  
woman's husband: G. H. Scougall,  
Ryder Davis, J. D. Lambert, J. D.  
Matheson, R. D. McNay and F. N.  
Morris. The late Mrs. Currie, who  
was in her sixty-first year, and is  
survived by her husband William  
Currie of MacLeod, came here from  
Scotland about 18 years ago and  
had resided in MacLeod ever since.  
She had been ailing for sometime  
past but her relatives and friends  
were not unprepared. The following  
sent beautiful floral tributes: Hub-  
bard, Alberta Lodge No. 3 (A. F. and  
M.); Mr. and Mrs. F. N. Morris; Mr.  
and Mrs. J. Pringle; Mr. and Mrs.  
James Baird; Mr. and Mrs. Dufour;  
Mr. and Mrs. V. R. Baker; Mr. and  
Mrs. R. D. McNay; Mr. and Mrs. D.  
R. Carver; Mr. and Mrs. J. Hart; Mr.  
and G. H. Scougall; W. Hoodless  
and May.

Engraving many photographic  
and technical innovations, James  
Cruze's "Old Ironsides," stupendous  
historical and romantic sea story  
which comes to the Empress Theatre  
next Monday, Tuesday and Wednes-  
day, brings to the screen one of the  
most startling photoplays ever pre-  
sented.

Among the unusual features in-  
troduced in the picture are the fol-  
lowing:

"The villain of 'Old Ironsides,' the  
Bashaw of Tripoli, appears in but  
one reel of the photoplay.

The hero of the story is a battle-  
ship, the frigate 'Constitution.'

An entirely new type of camera,  
constructed so that it would photo-  
graph the rolling motion of a ship  
without itself being subject to any  
movement, was invented for 'Old  
Ironsides.' This was necessary be-  
cause more than half of the picture  
was photographed upon the ocean  
with storms raging much of the  
time.

Each player personifies his or her  
own name in the story. Thus, Esther  
Ralston is known as 'Esther,' Wal-  
lace Beery is 'Wallace Beery' and  
George Bancroft is simply 'George  
Bancroft.' The only exceptions to  
this case are the historical charac-  
ters.

RANGER IS THE BRIGHTEST  
DOG STAR

Developing a new theme along  
unusual lines, the first of F. B. O.'s  
new series of police-dog pictures,  
"Flashing Fangs," will begin a two  
days run next Friday at the Em-  
press Theatre. Ewart Adamson, the  
author and scenarist, has conceived  
an original theme and plot, which  
is refreshingly different from the  
ordinary run of canine drama, and  
is correspondingly entertaining.  
Much of the interest of the film is  
due to the work of F. B. O.'s re-  
cently acquired four-footed star,  
Ranger, who shows a remarkable  
promise and ability. Some beautiful  
photographic backgrounds of the

MACLEOD CATTLE WILL BE  
ENTERED AT CALGARY SHOW  
—NICE LOT OF SHORTHORNS  
FROM JOSEPH SHIELD FARM  
GO TO SHOW AND SALE

MacLeod will again be represented  
this week at the Calgary Fat Stock  
Show and Bull Sales, Joseph Shield,  
noted Shorthorn breeder of MacLeod,  
shipped three fine young bulls Mon-  
day, also a fat four-year-old heifer.  
Mr. Shield has been a regular ex-  
hibitor at the Calgary show for many  
years, and has on several occa-  
sions been very successful as a  
prize winner. Those who saw the  
animals say they are a very fine  
lot and ought to take a good place  
in the showing. The heifer  
especially was in exceptionally good  
condition.

Bert Day, the young son of W. A.  
Day, MacLeod, also shipped in the  
same car with Mr. Shield a steer  
and heifer calves for the baby beef  
section of the show. They are rather  
young, being May and July calves,  
but Bud has them in very good con-  
dition. There is a large entry in this  
section, but Bud is confident he will  
secure a ribbon this year.

Amused comment, 1950: "Queer  
old fogey! Says he won't ever fly  
because 10 miles an hour is fast  
enough for anybody to travel."

One way for a woman to become  
a semi-invalid, needing constant  
petting, is to marry a man she

MAYNARD STARS IN POWER-  
FUL DRAMA OF INDIAN  
FEUDS—"THE RED RAIDERS"  
SHOWS HOSTILITIES BE-  
TWEEN ARMY AND MONTANA  
REDSKINS—ANN DREW, NEW  
FIND, "SENSATION" MAKES  
HOW OPPOSITE THE STAR

"The Red Raiders," a powerful  
historical western drama of the  
pre-Civil War hostilities between  
the army and savage Indians, is  
the feature photoplay at the Em-  
press Theatre Thursday and Friday  
next week.

Starring Ken Maynard, the dash-  
ing western hero, the new western  
represents the most interesting of  
the series produced by the Charles  
R. Rogers company for First Na-  
tional.

The story was adapted by Marion  
Jackson from her own work, "The  
White Horse Troop," and is laid  
in the wastelands of Montana  
where two Indian tribes menaced  
the lives of pioneers who sought to  
settle there in 1840.

Al Rogell, whose directing of  
Maynard's previous western ad-  
vanced this star to the leaders of  
his type, was at the megaphone at  
the new western.

Maynard has the role of Lieuten-  
ant Scott, assigned to the Military  
Fort in the Indian hotbed, the  
scenes of which were utilized from  
the picturesque region of Lodge  
Grass, Montana, site of two Indian  
reservations.

The story involves the attempts  
of rebel Indians to wage war  
against the settlers, and the inter-  
vention of the U. S. Cavalry to re-  
store peace. It was taken from a  
true chapter of American history  
which witnessed the first Indian  
reservation established by the gov-  
ernment, and the events preceding  
this move.

Ann Drew, the charming actress  
who gained recognition overnight  
after a year in pictures, has the  
leading feminine role opposite May-  
nard. Paul Hurst, veteran screen  
character comedian, has a promi-  
nent part, and others in important  
roles include Harry Shuton, Hal  
Salter, Tom Bay, J. P. McGowan and  
Chief Yowlache.

"OLD IRONSIDES" UNUSUAL IN  
SUBJECT AND TREATMENT

Manager Cutler, of the Empress  
Theatre, has made arrangements  
whereby this city will have the op-  
portunity of seeing that most im-  
portant of all pictures, "Old Iron-  
sides." He has succeeded in per-  
suading Mr. Basil Horsfall to  
bring his National Opera Company  
for a return visit with this pro-  
duction, which since its first presenta-  
tion has been even more successful  
than was the previous one, heard  
here last February, the "Operatic"  
production of "Bohemian Girl." The  
enlarged company is of very super-  
ior calibre, complete stage pro-  
ductions are carried, and a most  
splendid musical treat is assured.  
The list of principal artists who will  
be heard includes such well-known  
names as that of Joseph F. Sheenan,  
tenor, whose voice on many occasions  
has been compared to the late  
Caruso's; Mercedes Dalmada, one of  
Hammerstein's prima-donnas; Mar-  
tha Richardson, of the Chicago  
Opera Company; Franklin Meeker;  
Frederick Wheeler; Thelma Baird,  
and others. Mr. Horsfall will come  
specially to MacLeod to direct the  
performance. Manager Cutler is  
decidedly to be congratulated on his  
keen judgment in bringing once more  
to this city this organization of  
really first rank, whose earlier visit  
made such a sensation, and whose  
return visit will be eagerly awaited  
by all lovers of music. The event is  
announced for Saturday evening,  
April 14th, when the first sale will  
open on Saturday April 7 at The  
Reckall Drug Store—All seats reserved.

DEFENDANT'S STORY

The first witness for the appellant  
was Edwin Smith himself. He stated  
that Albert Many Fingers had been  
a source of annoyance to all the  
staff for several months prior to  
the beating he had given him. Wit-  
nesses.

Other Witnesses

The next witness was Jim Big  
Crow, who bore out the former  
witness' statement as to Smith call-  
ing Many Fingers an animal in the  
dining room and saying that it was  
the punishment the rest of the  
animals would get if they misbe-  
haved themselves.

Bob Big Sorrel Horses, another  
pupil of the school, gave corroborat-  
ing evidence of Jim Big Crow as to  
Smith's remarks in the dining room.

The Rev. W. R. Haynes, pioneer  
missionary of the Pelican Reserve and  
Missions, was then called by the  
crown. He stated that he had been  
in charge of Indian schools for the  
past 30 years. In reply to Mr.  
Matheson, witness did not think  
Smith had any right to hit the boy  
with his fists. He had never done so,  
and never would. If there had been  
any serious trouble the lad should  
have been sent to the principal, Ed-  
win Smith. In reply to His Honor,  
witness emphatically stated that in  
his opinion there was no difference  
between white boys and Indian boys.  
They always acted the same; he  
could never see any difference, al-  
though he had taught both in In-  
dian schools and white schools. In  
cross-examination, witness admitted  
that if one of the older boys had  
offered to fight, he (witness) would  
have knocked him down, then taken  
him to the principal. Witness had  
not heard of any assault on masters  
at other Indian schools.

This was all the evidence for the  
crown.

CARD OF THANKS

Mr. William Currie wishes to  
thank the many friends for the  
kindness and sympathy shown to  
him in his recent sad bereavement,  
also for the beautiful floral tributes

EGYPT DEMANDS HER COM-  
PLETE INDEPENDENCE —  
ASKS BRITAIN FOR RIGHT TO  
DEFEND SUEZ WITH EGYPT-  
IAN ARMY

London, April 2.—The crisis  
created by the Egyptian reply to  
Britain's final note on Egyptian re-  
jection of a proposed treaty was  
considered by the cabinet for several  
hours today at a specially convened  
meeting. Diplomatic circles con-  
sidered the situation delicate, but  
state that it gives no cause for  
alarm.

The Egyptian reply is consid-  
ered to demand complete independ-  
ence, the right to defend the Suez  
canal with an Egyptian army and  
without any assistance from Great  
Britain unless Egypt calls for help  
and also that Egypt be looked upon  
as an ally on an equal footing with  
England. The British state has been  
that Great Britain must secure the  
safety of British communications in  
Egypt, including the defense of  
Suez canal.

INDIAN PUPIL ASSAULT AP-  
PEAL HEARD. MACLEOD:  
JUDGMENT IS RESERVED—  
DISCIPLINARIAN OF R. C.  
SCHOOL, ADMITS HE PUNCH-  
ED FACE OF "BAD" SCHOOL  
BOY

One of the most important appeal  
cases heard in the district courts of  
Alberta was heard Tuesday in Mac-  
leod before His Honor Judge A. M.  
Macdonald. The case was an appeal  
from Magistrate Low's finding in  
the hearing of Rex vs. Edwin Smith.  
The defendant, Smith, who was  
disciplinarian at the R. C. Mission  
on the Blood Reserve, was fined \$10  
and costs by the magistrate for  
assaulting one of the pupils at the  
school, Albert Many Fingers. The  
case was appealed and in the hear-  
ing today J. W. O'Brien of Cardston,  
appeared for the crown, while G. E.  
A. Rice, of Shepherd, Rice and Fair-  
bairn, of Lethbridge, appeared for  
the defendant Smith. Judgment  
was reserved.

The first witness on the stand was  
Albert Many Fingers, who stated  
that he was 17 years of age, and a  
pupil at St. Mary's R. C. school on  
the Blood Indian Reserve. On Janu-  
ary 9 of this year while the pupils  
were marching in to breakfast, Ed-  
win Smith, one of the masters at  
the school, called him out of the line  
and after the other boys had gone  
in to breakfast, punched him (Many  
Fingers) three blows on the nose  
and another on the side of the face,  
at the same time calling him an  
animal. Smith refused to let wit-  
ness go and wash his face, although  
it was all bloody, but took him into  
the dining room and then told the  
other pupils that that would happen  
to any animal who did not do what  
was right in the school. Witness  
stated that he had never given any  
cause for such treatment, and dur-  
ing his six years as pupil at the  
school had only been punished once.  
He also said that the principal, Rev.  
Father Raux, came up to him in the  
dining room just after the beating  
and told him he was glad to see he  
had been punished and raised his  
hand to hit him on the head.

Cross-Examination

In cross-examination, witness  
admitted that he had ever been dis-  
obedient, or had talked to or teased  
the girl pupils. He said that until  
that time Smith had always been  
friendly with him. He (witness) had  
never told anyone that Smith was  
frightened of him, and that he was  
going to fight him.

The last witness, although able to  
speak English perfectly, refused to  
answer the counsel's questions on many  
occasions unless he had an inter-  
preter, Emil Smallface, to assist  
him.

Bears Out Evidence

Arthur Cody, teacher of the St.  
Mary's school on the Reserve, thor-  
oughly bore out the statements of  
the former witness in every point.  
In answer to the judge, witness  
stated that in his opinion the boy  
certainly deserved the whipping. He  
had been obstreperous for several  
weeks previous and warnings had no  
effect on him whatsoever. In wit-  
ness' opinion, Indian pupils were  
far harder to teach and handle than  
white children. There had been no  
swelling on Many Fingers' face  
after the fight, as witness had cause  
to correct the boy shortly after for  
irreverence during prayer, and there  
was no mark whatever on the lad's  
face. He often had to correct the  
same boy in school, and only a short  
while previous to this whipping had  
punished him for running away from  
school.

William Mills, a pupil of the  
school, gave evidence as to Many  
Fingers boasting that he was going  
to fight and whip Smith.

Decision Reserved

Judge Macdonald said he would  
reserve his decision, as he had not  
decided on the point whether or not  
Smith should have punished the boy  
the way he did. His Honor was con-  
vinced that Many Fingers thor-  
oughly deserved chastisement as  
there was no doubt he was a bad  
boy and had caused lots of trouble  
at the school. His actions on the  
witness stand had left a bad im-  
pression with the court. In spite of  
his speaking fluent English he was  
cunning enough when it came to a  
somewhat difficult question to ask  
for an interpreter who could not  
speak as good English as himself.  
It was a very important case to  
decide, as it would be a ruling for  
all other Indian schools. There was  
no doubt whatever that discipline  
was absolutely necessary in these  
schools, as in any other school, and  
there was also no doubt that the boy  
thoroughly deserved the punish-  
ment, but the only question His  
Honor would have to decide on was  
this, was the mode of punishment  
administered by Smith the correct  
one? His Honor clearly stated the  
ruling was one of the most import-  
ant he had had to decide upon, and  
he reserved his decision on the point  
before mentioned.

This is the first case in Canada  
where an Indian child's parent has  
laid information of this kind against  
a school principal, master, or  
matron.

## POPULAR MACLEOD FAMILY MOVING TO LETHBRIDGE— MR. AND MRS. MALTBY AND DAUGHTER, QUEENIE, ARE HONORED BY FRIENDS

Rev. W. H. and Mrs. Irwin of the  
Macleod United church were host  
and hostess at a jolly house party  
on Wednesday night, March 28, in  
honor of Mr. and Mrs. H. L. Malt-  
by and Queenie, who are leaving  
Macleod. Mr. Maltby, it is under-  
stood, may go to the C. P. R. Ex-  
press at Lethbridge.

During the eight years that the  
Maltbys have lived in Macleod, they  
have been active in the work of the  
former Methodist church and latterly  
of the United church. Mrs. Malt-  
by served for a time as president of  
the Ladies' Aid, in which office she  
rendered valuable service to the  
church. Those present were the mem-  
bers of the official board and their  
wives, the members of Mr. Irwin's  
senior education class, in which Mrs.  
Maltby had been active for the past

three years, and the executive of the

Presentations were made on be-  
half of the organizations represent-  
ed to Mr. Maltby by James Rothney  
on behalf of the official board, pre-  
sented a fountain pen; to Mrs.  
Maltby by Mrs. J. B. Sutherland, a  
handsome salad bowl; and Holly  
Young, on behalf of the C. G. I. T.,  
gave Queenie a French Ivory Jewel  
case. Appropriate addresses were  
read in each case as follows:

Macleod, Alberta, March 28, 1928:  
Mr. H. L. Maltby: It is with feelings  
of deep regret that we, your friends  
of Macleod United church learn of  
your impending departure for other  
fields. During your stay in Macleod  
we have appreciated your loyalty  
and support of the church, and  
your fellowship as elder and board  
member. In our deliberations we  
have always felt that you were sin-  
cere and conscientious and the  
stands you have taken have general-  
ly proved to be in the best interests  
of the church. As you go forth from

our midst it is our desire to express  
to you our goodwill and the best  
wishes for your future success and  
prosperity. In order that you may  
not forget the esteem in which you  
are held in Macleod we ask you to  
accept this little reminder of our  
friendship. While it is only a small  
token, our hearts go with it and as  
you carry it, you will know that you  
linger in our memory.

Dear Mrs. Maltby: Your stay in  
Macleod and the opportunity it has  
given us for acquaintanceship has  
been a pleasure to us, that we learn  
of your intention of leaving us with  
the deepest regret. We recall the  
official positions that you have held  
in our church and your untiring  
interest in many organizations for  
social betterment. Our community as  
well as the church will miss you. As  
a church we have felt that we could  
always rely on your interest, but as  
a friend we have come to love you  
best of all. As we have worked with  
you in the elocution class where the  
most intimate friendships have been  
established, as we lived together in  
the atmosphere of the best things  
of literature and art, many times  
have you thrilled us with your  
dramatic skill. We feel we cannot  
let you go from us without some  
slight token of our appreciation and  
we ask you to accept this gift, so  
that you may remember us when you  
are among new faces and establish-  
ing new friendships.

To Queenie: We want to assure  
you that the girls of the C. G. I. T.  
are very sorry that you are not going  
away from us. We have always en-  
joyed your company both as one of  
us and as a school friend. We hope  
that you will find a good crowd of  
girls where you are going and that  
your experience in the C. G. I. T.  
will help you to get acquainted. We  
will be anxious to hear from you at  
any time and as you are not going  
far, we hope that we may see you  
occasionally. We wish you to accept  
this little gift from the girls, that  
will help you to remember the years  
spent in Macleod and the girls there.

During the evening several games  
were played and community singing  
was indulged in. Mrs. Jas. Young  
delighted the gathering with a num-  
ber of Scotch dialect songs and  
readings were given by Miss Daisy  
Jackson, Mrs. C. G. Hault, Mrs.  
Maltby and Rev. Mr. Irwin. Miss  
Gladys Cooney and Jack Griffin  
rendered solos. After a dainty  
luncheon served by the hostess the  
party broke up at the midnight hour.

If a boy of 14 is too young to  
work, isn't it cruel to let him spend  
hours beneath a steering wheel?

If you talk about live people,  
that's gross; if you talk about  
people long dead, that's culture.

## HEAVY FARM MACHINERY TURNOVER AT MACLEOD— DEALERS HAVE DIFFICULTY FILLING ORDERS—CROP OUT- LOOK PROMISING

The implement dealers of Mac-  
leod are working almost day and  
night just now setting up and send-  
ing out implements for the spring  
work. From a canvas made last  
week of the four dealers in Macleod,  
it would appear that never before in  
the history of the implement busi-  
ness have so many tractors, seed  
drills, plows, disc harrows and cul-  
tivators been sold in the Macleod  
district. The following is approxi-  
mately the number already sold by  
the four companies: Tractors, 31;  
seed drills, 26; plows, 27; disc har-  
rows, 32; cultivators, 22.

The four companies and their  
agents are: International Harvester  
Company, Claude Twedd; Massey  
Harris Company, J. S. Fidler; Cock-  
shutt Plow Company, M. Donahue  
& Son; John Deere Company,  
Stewart Bros. Some of the agents  
state that they have great difficulty  
in getting delivery of certain im-  
plements on account of the great  
demand, and they are certain that  
they can sell more than they can get  
from the factories.

These are certainly changed days  
for the Macleod district, for it is  
only a few years ago that very few  
implements of any kind were sold  
in Macleod, on account of the years  
of bad crops, but now with the last  
two good crops and so many of the  
implements worn out, and also the  
implement companies are offering  
easier terms now than they have  
been giving for a few years.

With the enormous amount of  
moisture in the ground this spring,  
the prospects look extra good for  
another record crop in the Macleod  
district.

## W. H. SHIELD, M. P. P., AD- DRESSES MEN'S BROTHER- HOOD

W. H. Shield, M. P. P., was the  
speaker at the Men's Brotherhood  
in the United Church Tuesday eve-  
ning. He gave an account of various  
bills passed and told of others that  
will be ready for the next session.  
"The Roads in our Province, like all  
parts of the Dominion, are the prin-  
cipal item of expense, but we all  
look forward to this as the greatest  
attraction for Alberta, as the better  
the roads the more tourists we will  
get, and the better settlers will re-  
main with us. This year, 1928, will  
be an extra heavy one on the treas-  
ury as the damage already to  
bridges has been heavy, and our  
road building policy will be carried  
out, especially in this district. Dur-  
ing last year much was done in road  
building here, and 1928 will see a  
much heavier expense account on  
the roads leading to and from Mac-  
leod. As this will be the centre of  
operations for engineers, and con-  
tractors.

"The Old Age Pension bill was  
not passed, although prepared, but  
will be when the House meets again.  
It would have taken a special tax  
this year. Railways in the north will  
soon be called for, as the settlers  
are going into the Peace River dis-  
trict very fast, and schools, roads,  
and railways will be the next ex-  
penditure. The northern railways  
were not sold, as the price and con-  
ditions were not acceptable to the  
government.

"Alberta is the richest Province  
in the Dominion, and you and I  
have every reason to be proud of our  
home. The time is not far distant  
when Alberta will be recognized as  
the Banner Province of Canada."

## Threshers Asked To Send In Returns

Threshermen who are completing the work this spring which was interrupted by the unfavorable weather in the fall of 1927 are reminded that they are required to send in to the Department of Agriculture full returns showing the number of acres and number of bushels of the various grains threshed for individual farmers from the 1927 crop. It is pointed out that this information is required to complete the crop statistics of the province for the season, and in the case of threshermen who sent in their forms covering the threshing done last fall, additional forms may be secured from the Department to report the operations during the present spring. Threshermen are of course permitted to complete the threshing of the 1927 crop on the license secured in 1927, but a new annual license must be secured from the Department before starting to thresh the 1928 crop.

## University Cow Makes Good Record

U. A. Roan Lady 101st—168547—a registered Shorthorn cow in the herd of the University of Alberta has just completed a 365 day R. O. P. test during which she produced 15,428 pounds of milk with an average test of 4.3 per cent, making a total of 664 pounds of butterfat. This record places her sixth highest in Canada in point of butterfat production for Shorthorn cows. The record was made during her fourth lactation period and the cow had never been hand-milked until the commencement of the test just completed.

Her record for production is more remarkable from the fact that this cow is the mother of the steer "Choice U. A." which was grand champion at the Toronto Royal Fair and champion Shorthorn steer at

C. P. R. To Complete Line Into Edmonton

Completion of the C. P. R. Cut-knife-Whitford Lake branch line from the present terminus at Willingdon into Edmonton is proposed during the coming season, according to the announcement of the company's building program for 1928. Construction of a thirteen mile extension of the Alberta Railway and Irrigation Company's line southeast from Woolford and 2½ miles of line on the Gem Colony Branch are also included in the season's program.

## Will Move More Buffalo North

It is expected that some 1,100 head of buffalo, mostly year-olds, will be shipped from the Wainwright Park early in June to the range in the far northern part of the province where during the past three years several thousand head have been transferred. The former monarchs of the plains have increased so rapidly in their sanctuary at Wainwright that their numbers have far exceeded the carrying capacity of the pasture in the park. Reports from the vicinity of Fort Smith on the northern boundary of the province indicate that the animals which have been moved are thriving in their new home.

## Agricultural School Term Ended

After one of the most successful terms in their history, the Provincial Agricultural Schools at Olds, Claresholm, Vermilion and Raymond closed for the 1927-28 term during the past week. Attendance has been larger than in any previous year and the principals of the schools report that the past term has been a satisfactory one in every way.

## Farmers To Review University Feeding Experiments

A large attendance of farmers and stockmen is anticipated at "Feeder's Day" to be held at the University of Alberta on Saturday, April 14, the last day of the Edmonton Spring Show. This annual event is proving very popular, states Prof. J. P. Sackville, with those who are interested in the results of the various experimental projects conducted during the winter by the Department of Animal Husbandry. Several lots of cattle, sheep and pigs will be on exhibition and a number of important problems in feeding and management of livestock will be discussed.

## DEPARTING LODGE MEMBERS FETED AT JUBILEE CITY

Last Thursday night at the regular meeting of Mountain View Lodge No. 4, L. O. O. F., before the close of the meeting Bro. James Hartley, noble grand, called Bro. Harry L. Maltby, P.G.N., forward and in a few remarks presented Bro. Maltby with a pin, on behalf of the members of Mountain View Lodge, on the occasion of his leaving Macleod for Lethbridge.

The noble grand said that it gave him great pleasure on behalf of the members to present him with this small token of their esteem, and at the same time expressed the regret of all the members at his departure from the lodge. He spoke of the interest and faithful work which Mr. Maltby had done for the lodge during the years he had been a member, his readiness at all times to help in the degree work or in anything for the good and advancement of the order. Bro. Maltby replied, thanking the brothers for their gift, and said that one of his regrets in leaving Macleod was in leaving the Odd Fellows' lodge. He said that he did not think he could ever join another lodge and enjoy such good fellowship and friends as he had had in Mountain View Lodge Macleod.

After the lodge closed, the members of Mountain View Rebekah Lodge No. 23 joined the brothers and held a short card party. There were about 10 tables and progressive whist was played. The lucky prize winners were: Ladies' first, Miss M. Young; ladies' consolation, Mrs. L. Dixon; gentlemen's first, Jas. Hartley; consolation, Miss K. Scott.

After the cards the sister Rebekahs provided a splendid lunch, which was much enjoyed. At the head of the tables were seated the noble grands of the two lodges, Sister Paulson and Bro. Jas. Hartley, and with them the guests of the evening, Mr. and Mrs. Maltby. When all had partaken of the good things provided for the inner man, Sister Paulson, noble grand of the Rebekahs, presented Sister Maltby, P.N.G., with a beautiful nickel-mounted inlaid pearl tray from the members of the Rebekah lodge. In doing so the noble grand read the following address:

"Dear Sister Maltby: On behalf of the officers and members of Mountain View Rebekah Lodge No. 23, I ask you to accept this gift. We hope that you will take as much pleasure in using it as we do in presenting it to you. You have been a faithful member, always willing to do your part to further the good of the order. We will miss you, and hope you will be able to visit us often. We wish you health, wealth and happiness in your new home." (Signed) Ethel Paulson, N.G.

Mrs. Maltby in her reply stated that the seven years she had been in Macleod had been the happiest years of her life, largely on account of the many friends she had made in the lodge and in other ways since coming to Macleod. She didn't think she would ever feel at home in any other lodge the same as she felt in Mountain View. She gave a very cordial invitation to any of the members to visit her in Lethbridge.

REGULAR MEETING OF TOWN COUNCIL MONDAY NIGHT

The Macleod Town Council met last Monday night for the regular monthly meeting with a full attendance of Councillors and Mayor J. W. McDonald, K. C., presiding. They had a long meeting, principally taken up with routine business. Councillor W. A. Day was appointed deputy mayor for the ensuing quarter. There has been quite a demand recently for house property belonging to the town, and within the past month or so five or six houses have been sold. Some of these have been empty dwellings, and they are being renovated and made fully modern. This is a good sign

and speaks well for the town, showing that these people have confidence in the town and district. It also shows that the policy of the Town Council during the past few years has given renewed trust and assurance of security to property owners in the town. The reductions in the electric light rates and the tax rates, combined with the solid financial position of the town today compared with a few years ago, all are helping to create optimism for the future advancement and success of the town. The crops of the district for the past two years and the prospects for this year have also helped and will help considerably the development of the town.

The report of Chief of Police Pringle was presented to the meeting and showed an almost clean bill for the month, only one case being before the court.

The Court of Revision was fixed for Wednesday April 25th, at 10 a.m.

AMERICANS FLOCKING TO CANADA NOW — HON. ROBERT FORKE SAYS U. S. PEOPLE TURNING EYES THIS WAY — MANY CANADIANS RETURNING ALSO

Winnipeg, April 2.—"Not only will a large number of Canadians return from the United States, but many citizens of that country will seek homes in Canada during the coming year," predicted Hon. Robert Forke, minister of immigration, who reached Winnipeg last night from Ottawa in the course of a private trip west.

Mr. Forke's prediction, he said, is based on the reports of Canadian agents in the United States who state that they are receiving an almost unprecedented number of inquiries for information concerning Canadian settlement.

The minister of immigration was of the opinion that industrial depression which is commencing to settle down on the United States, is already having an unfavorable effect on that country, while, on the other hand, according to reports, there is likely to be a demand on the Western Canadian labor market which promises to be in excess of the supply.

93rd BATTERY MEMBERS PASS SERGEANTS' COURSE AT WINNIPEG—SERGT. LORD OF BLAIRMORE WINS CASH PRIZE AT SIX WEEKS' SCHOOL

Blairmore, March 28.—Word has been received here by Major W. Barnard, officer commanding the 18th Brigade, Canadian Field Artillery, that all four members of the 93rd Battery (headquarters at Macleod) who attended the recent six weeks' course for sergeants which was held at Winnipeg have been successful in passing and will rank henceforth as qualified sergeants.

Their names are Sergeants Walter Lord, Jr., of Blairmore, and Sergeants J. Bremner, Williams and Gardiner of Macleod. Sergeant Lord also has the satisfaction of winning first place for this district, and with it a prize of \$10. Considerable credit is due to these sergeants for their success in their work, and the interest aroused locally augurs well for the future, and it is hoped that a full battery of boys from this district will attend this year's camp for field training. Captain R. G. MacLean of Macleod commands the 93rd Battery.

A. J. DERSCH RECEIVES BIG PRICE FOR SILVER FOX Pelt

Returns were received Tuesday morning by A. J. Dersch of the Silver Fox Farm, Macleod, for the sale of a silver fox pelt which he shipped recently to the Canadian National Silver Fox Breeders' Association, with headquarters at Summerside, P. E. I. The price received for the single pelt was \$180.29. This is the largest price Mr. Dersch has received for a pelt since he started to operate his farm, three years ago. This pelt was from a young pup, 7 to 8 months old, and was beautifully silvered well forward on the back. Last year Mr. Dersch shipped his Pelts to London, England, but this year he shipped to the above association and got a very much better price. This association is a sort of a selling pool, classifying all the pelts and shipping them to the markets requiring certain classes of pelts. Only those keeping registered stock can be members of the association, all the furs are branded in both ears. Mr. Dersch has now 8 pair of registered foxes at his farm.

Easter is taking the place of Lent—if you fasted you can now take your place in society and lay on a little flesh. If your conscience is clear it does not matter what you did. Have the courage of your convictions—the man who hides behind a woman's skirt is not a coward. He is a magician.

There are a fortunate few men who can take a small Hat 6½ to 6¾. We can fit them with Stetson Hats in those sizes. Now the Hat that was made a few years back was a superior make of felt, nappy and velvety in appearance, heavier in weight. Taken altogether it was an article you loved to touch. A Hat of that description is worth \$10.00. We will offer the remaining Hats at \$3.00. They can be stretched another size. You may rest upon it being a genuine bargain when you see an article marked in plain figures on our show cases or in the window for sale. Don't superciliously pass it by with a scornful eye—it may be just the thing you want. If we display a single article it often means that it is the last of a dying race and it must be sent to the Happy Hunting Ground to add to the numbers gone before to make room for fresh species of fashion's demands. We will look round and give you fresh bargains next week.
